EXPERIENCE

Graphic Designer | Berry Appleman and Leiden LLP

October 2024 – June 2025

- Assisted the marketing and legal team with day-to-day internal and external communications designs through revising and designing social media campaigns, brand guidelines, presentations, event materials, white papers, infographics, and website content materials

Freelance | McCone Studios

February 2024 – October 2024

- Designed stationery, signage, and other works of art for special events including wedding invitation suites and bridal showers

Senior Graphic Designer | CONNECTIVE Agency

May 2021 – March 2024

- Led design for a major private healthcare client covering seven Southeastern and Midwest states in all visual content for internal and external communications, branding, social media, events, and acquisition communications and deliverables reaching over 3,700 employees and families
- Acted as the lead designer for the agency social platforms and external communication designs for insight content, as well as animated website content
- Led design for a major metropolitan housing authority serving 55,700 people across multiple social media channels and sub programs, as well as event materials, a mural in their HQ, and animating an informational video series on Public Housing and Housing Choice Voucher processes for their website redesign
- Collaborated with team members and departments across multiple agency clients for branding projects, event design, website design, administrative duties, and client relationships responsibilities
- Animated educational and advertising short and long-form videos for multiple housing authorities, transportation companies, and education agencies

Graphic Design Intern | J.O. Agency

December 2018, June – August 2019

- Assisted in creating graphics for various clients across multiple brands including presentation design, social media, and event materials
- Designed presentations, conference materials and annual reports for Near South Side
- Collaborated with other interns to produce weekly business and interview vlog, Cup of J.O.
- Researched and wrote reports for B2B and SEO optimization for social media platforms
